

Employee Engagement: Additional Help

Meet with an expert or get advice from a peer

If you'd like additional guidance, various public and nonprofit services can connect you to advisors with personal experience running a small business, including SBA <u>Small Business</u> <u>Development Centers</u> and Pacific Community Ventures' free <u>BusinessAdvising.org</u> platform. It connects small business owners like you from anywhere in the country with experienced pro bono business advisors who can offer ongoing advice on a range of issues, including HR, marketing, IT, operations, and other small business concerns. To find other services in your area, visit the SBA's <u>Local Assistance page</u>.
